EKKLESIA GLOBAL

OUR VISION

Ekklesia Global's vision is to be a collaborative engaged in a multi-generational move to bring all things back to the Almighty's intention and purpose – for the Church, then for the world.

The manifestation of this will enable the Body of Christ to be raised to the fullness of the stature of Christ, resembling the image of the fully matured Man – Christ Jesus, and then be able to facilitate the fullness of God's inheritance in the saints who are in the Kingdom of Light (Ephesians 4:11-16; Galatians 4:1-7).

OUR PURPOSE

Ekklesia Global endeavors to be an organization that is established on both the biblical and revelatory premises of God.

Built on the foundation of the Apostles and Prophets (Ephesians 2:20), it is our desire to facilitate the perpetuation of the universal and institutional church by adhering to the truth of God, the callings of God, and the establishment of the Kingdom of God in the earth.

OUR MISSION

Ekklesia Global's Mission is to fulfill the great commission of Matthew 28:19-20. In order to do that, there has to be the establishment of God-ordained leadership rightly aligned with their calling and purpose and then the commissioning of those leaders to execute their callings (Romans 10:12-15; Matthew 9:38).

We endeavor to see the universal and institutional Church constructed according to the Lord's blueprint on the local, city-wide, regional, national, international, and global levels. It is our vision to build ministry prototypes that can be replicated throughout the world, engaging the systems and spheres of society and establishing the dominion of the Kingdom of God in every place.
